

CLEAN & GREEN

Made with recycled or recyclable content, biodegradable formulas or plant-based ingredients & without hundreds of harsh chemicals.

Shop now at heb.com/field-future

All Field & Future Products are Made Without:

Acrylamide	Denatured Alcohols	p-aminobenzoic acid (PABA)
Acrylates	Diethanolamine (DEA)	Parabens
Aluminum	Ethylene Diamine Tetracetate Acid (EDTA)	Paraffin
Artificial Colors	Ethylene Glycol	Parfum
Artificial Flavors	Formaldehyde/Formaldehyde Donors	Perfume
Artificial Fragrances	Gelatin	Petrolatum
Avobenzene	Heavy Metals (Mercury compounds, Lead, Arsenic, Cadmium, Nickel, Chromium)	PFAS/PFOA/PFOS
Benzisothiazolinone	Homosalate	Phthalates
Benzyl Alcohol	Hydrogen Peroxide	Polyethylene Glycol (PEGs)
Benzyl Benzoate	Hydroquinone	Polypropylene Glycol (PPG)
Bisphenols	Iodine Complex	Propylene Glycol
Butoxyethanol	Lead Acetate	Retinyl Palmitate
Butylated Hydroxyanisole (BHA)	Methylchloroisothiazolinone (MCIT)	Silicones (Liquid)
Butylated Hydroxytoluene (BHT)	Methylisothiazolinone (MIT)	Sodium Lauryl Sulfate
Butylene	Microbeads (Polyethylene)	Sodium Laureth Sulfate
Camphor	Mineral Oil	Synthetic Dyes
Carmines	Monoethanolamines (MEA)	Talc
Chlorofluorocarbon (CFCs)	Octinoxate	Triclosan
Chlorine	Octisalate	Triethanolamine (TEA)
Chlorine Dioxide	Octocrylene	
Chloroform	Octylisothiazolinone	
Coal Tar	Oxybenzone	
Coumarin		
DEET		

We are continuously updating this list to ensure our product standards are up to yours. We believe in ingredient transparency so refer to individual product labels for item-specific ingredient and material information.
